

Breakfasts at Austwick Hall:

...are a relaxed affair and are served from 9am to 10am.

- Help yourself to a selection of cereals or our home-made granola, fruit juices, fruit salad, grapefruit, yoghurts and freshly baked croissants
- Then tuck into your cooked breakfast. It can be a traditional full Yorkshire breakfast consisting of locally produced dry cured bacon, pork sausages, eggs, grilled tomato and mushrooms.
- Alternatively try smoked salmon and scrambled eggs
- or poached eggs on toast
- All the above served with toast and a selection of teas and coffees from Taylors of Harrogate.

Of course you can always have breakfast in bed.

Please let us know if you have any special dietary requirements.
